The fourth day of the Chautauqua was one of the feature days of the seven-day feast of good things. The crowd was large and the weather conditions perfect as has been the case during the entire Chautauqua.

The music for Monday was furnished by the University Boys. These young men featured the Hawaiian music which is very beautiful and weird. They used several of the Hawaiian instruments in the concert also the piano harp, and banjo. Their concert was greatly enjoyed.

Dr. James S. Kirtley was the lecturer for the afternoon. He gave the lecture "In the Barefoot Kingdom." Dr. Kirtley certainly handled his subject in a masterful and pleasing way and greatly impressed his hearers.

For the evening entertainment, Montreville Wood gave a scientific demonstration of some of the most remarkable

phases of popular science. Mr. Wood demonstrated the ultra-violet ray, the memorial car and the gyroscope. He also gave a short talk on submarine warfare and gave some time to an invention of his own, a torpedo. His lecture was one of the most interesting ever heard here.

The fifth days Chautauqua drew many people to the grounds many of whom spent the entire day there taking a lunch. The weather was perfect and all enjoyed a safe and sane Fourth.

Pallaria's Band was the headliner for the day. Pallaria's work was interesting and his actions in conducting the band showed him to be a born leader. Both of his programs were excellent and especially the evening one. His rendition of the William Tell Overture was wonderful. His own compositions, "The Belle of the Village" and "The American Navy" were excellent. Immediately following the afternoon concert, Miss Abigail MacGillivray, the children's worker, gave a talk to the grown-ups on how to tell stories to children. Miss MacGillivray gave an excellent talk.

## SMITH-FARIES

Popular Young Couple Wed at the Home of the Bride on Forest Avenue Monday Afternoon at 2:30 O'clock—Wedding Very Quiet Affair.

The wedding of Mr. Fithian Faries of Paris and Miss Kathryn Smith of this city was celebrated at the home of the bride's parents on Forest avenue Monday afternoon at 2:30 o'clock. The wedding was very quiet only the members of the immediate families of the contracting parties being present. The bride wore a dark blue silk dress and carried a beautiful bouquet of bride's roses. Rev. Campbell of the First M. E. Church, South, performed the ceremony.

Miss Smith is the daughter of Mr. and Mrs. John Smith of Forest avenue and is a very popular and attractive young girl. Mr. Faries is a brakeman on the L. & N. running between Maysville and Paris and is well known in this city. His home is in Paris.

Immediately after the ceremony the happy couple left on the 3:30 train for Cincinnati, Dayton and Middletown, Ohio. They will be gone about a week. The Ledger joins their many friends in wishing them a long and prosperous married life.

Mrs. Ella Rhodes of the county was a shopper in this city Monday.

Mrs. Ida McDonald was associated with friends in this city Monday.

The Mayor reported that he had collected \$47.93 for licenses during the month.

The City Treasurer reported a balance of \$444.98 in the city treasury. Fire Chief Newell reported that the fire company had answered one alarm of fire during the month of June. The following building permits were granted:

G. Wood Owens—Frame garage, shingle roof, size 16x18, on rear of lot. Garage fronting on Third street, First Ward.

Verner Dryden—To raise roof on dwelling, add two rooms and replace the shingle roof with a metal roof, Sixth Ward.

George Fisher—Veranda on front part of dwelling on East Second street, Fifth Ward.

J. D. Easton—One and one-half story frame residence on lot west of residence in Second Ward.

Downey Sisters—Two additional rooms on residence on East Second street, Fifth Ward.

R. M. Harrison—Frame garage, metal roof, 14x16, in Strawberry Alley, Fifth Ward.

The Proposition and Grievance Committee reported that they had investigated the shed in the rear of the property now occupied by O. L. Bartlett as a garage and also the shed in the rear of the property now occupied by Jake Caproni and had found that the sheds were a nuisance and recommended that the council declare them as such. The report was adopted and the sheds declared a nuisance and ordered removed at once.

The following belated bills from the city engineer was allowed:  
Fred Miller, assistant engineer, \$125.  
Lucien Luttrell, assistant engineer, \$60.

John Sapp, Inspector, \$78.  
Jeff Rice, Inspector, \$42.  
E. G. Bridges, \$55.

A report was received from the city engineer in regard to the matter of substituting Carlisle for Peabbles brick in the streets downtown. The report was received.

A contract between the Washington Fire Company and the City of Maysville at \$200 a year for five years for the use of the hall belonging to the company was read. The mayor was authorized to enter into contract with the company.

The matter of exorbitant water rates for the fire hall was left in the hands of the Water Committee.

The bids for the construction of the new brick streets. Second street from the West margin of Limestone to Bridge streets and Carmel street from Second street to the railroad were reopened, and referred to the city engineer and the Internal Improvement Committee for tabulation. After an hour's work the report was made as follows:

Second Street  
Vastine, Noland & Lowrey, \$9,909.75.  
Cary, Reed Co., \$10,105.25.  
J. B. Morledge, \$10,230.55.

Carmel Street  
Vastine, Noland & Lowrey, \$4,404.50.  
Cary, Reed Co., \$4,695.20.  
J. B. Morledge Co., \$4,587.00.

The bids were then referred to the Street Paving Committee who will report at the next meeting the best bids. The contract will likely go to Vastine, Noland & Lowrey.

A petition was received and ordered filed from the property owners on Carmel street asking the City Council not to pave Carmel street as the property along this street is not worthy of the improvement.

Bonds Nos. 13 to 36 were received from the Board of Education and ordered handed to the Ways and Means Committee and destroyed.

A petition was received from James Sweeney asking the Council to grant him a license to open a near beer parlor at 105 Market street. As this was the place of business of W. H. Farwick, whose license was revoked, the license could not be granted Mr. Sweeney.

Messrs. Schofield and Carlisle were granted the floor to talk on the matter of changing the brick for the streets downtown. The matter was referred to the Internal Improvement Committee for report at next meeting.

The contract with the Maysville Gas Co for lighting the city for one year for \$1317.10 was renewed.

The City Assessor's salary of \$250 was allowed.

On motion it was ordered that the Internal Improvement Committee confer with Mr. Noland on the matter of rushing the work on the brick streets in his contract.

On motion it was ordered that the telephone be removed from the Police Judge's Office to the city building on East Second street.

A petition was received from the

grocery men of the city asking the City Council to enforce the law regarding Sunday closing. The matter of putting the lid on everything on Sunday's was referred to the city attorney for report at next meeting.

Mr. Harrison, the chairman of the Auditing Committee asked that the committee be discharged as they were doing no work. The council refused to discharge the committee.

On motion it was ordered that the policemen be given one week's vacation during the summer with pay.

The matter of designating a place for exhibiting stock on County Court Day was placed in the hands of Messrs. Harrison and Thomas to confer with the Chamber of Commerce to report at next meeting.

On motion it was ordered that \$2500 in emergency bonds be issued. The Sidewalk Committee was ordered to look into the matter of receiving the sidewalk of Mr. Henry Myers on East Second street.

On motion it was ordered that \$1500 poll tax erroneously assessed be returned to Mr. Martin Drennen.

On motion it was ordered that the mayor and the city attorney give a written opinion on the telephone question at the next meeting.

On motion it was ordered that the city lot on the corner of East Third and Union streets be turned into a park instead of a pasture.

On amended motion it was ordered that the sewer back of the brick row in the Second Ward be placed in the hands of the Board of Health.

On motion it was ordered that the members of the Internal Improvement Committee be provided with street car tickets to go to and from the work on the brick streets.

On motion it was ordered that the blankets belonging to the city left from the flood be put in the hands of the Alms Committee.

Council adjourned to meet at the call of the Mayor.

## NEILSON RESERVES DOWN TOWN

The ticket-box for Neilson reserved seats will be at the drug store of J. J. Wood & Son this afternoon (Wednesday) between the hours of 4 and 6. This arrangement should prove very satisfactory to those contemplating hearing the celebrated Prim Donna, and not now holding season tickets. At other stated hours the tickets will be on sale at the Chautauqua grounds.

## POLICE COURT

In Police Court Monday afternoon the following fines were assessed:  
Annie Weaver, breach of the peace, \$4.90, paid.  
Charles Jackson, 4.90, same offense.

## WILL LOCATE

Large Fly Net Factory in this City—Manufacturing Concern Landed for Maysville by the Chamber of Commerce.

The G. W. Kelsey, Jr., Co., manufacturers of fly nets for horses, through the efforts of the Chamber of Commerce has been persuaded to locate a branch plant in this city.

The main plant of the company is located in Wisconsin and this is the third branch to be established by them. Mr. Kelsey is one of the great manufacturers of fly nets in the north and the factory will mean much to this city. If the location here suits him he will move the other two branches of the plant to this city. The material used in the making of the nets will be purchased from the Maysville Cotton Mills.

The pay roll of the factory will be from fifteen to twenty thousand dollars annually and the value of the manufactured goods will be not far from one hundred thousand dollars.

The plant will be moved to this city about the first of September and will commence business immediately. A location for the factory has not been decided upon but will be determined later.

This factory has been brought here by efforts of the Chamber of Commerce. This body has been quite zealous in trying to persuade factories to locate here and has been successful several times.

## THE CINCINNATI MARKET REVIEW

(By Channer & Sawyer.)

The present securities market situation could be well described as taking a "breathing spell." The activity and advance in market values of securities generally has been very rapid and in some cases furious. The reaction was due, and the greater the reaction the healthier the situation.

Up to the first of April, municipal bonds advanced each week; the demand for them seemingly far exceeding the supply. The advance in values prompted many to sell their municipals and reinvest in high grade corporation securities, yielding a better income.

Short term notes then afforded an excellent vehicle to carry investment funds. The demand for these notes became so great, and commercial money became so low, that corporations generally turned to financing their needs on a permanent basis.

The well secured and carefully safeguarded bonds are very well distributed and one can find but few issues that will yield 6 per cent. The preferred stocks of established corporations of good earning power, ample assets and properly restricted in the issuance, are in strong demand. Undoubtedly this class of stocks will continue to grow in favor for the reason that a good preferred stock affords a fair income, and in most cases has nearly as strong a position as a bond.

The most spectacular securities have been those affiliated with the automobile industry. In talking with probably the most prominent figure connected with the automobile industry now before the public, the writer advanced the question as to whether the growth in the production of cars did not foreshadow a dull period within the next two years; the reply was, "I am firmly convinced that the year 1916 is the real start in the growth and expansion of the motor industry and that the automobile is but in its infancy."

From the investments which are being made in new plants, new machinery, contracts which are being entered into for increased tonnage, material and parts, those who are in control of the automobile business are thoroughly satisfied in their own minds that there will be a greater demand for cars, sufficient to justify greatly increased production. Otherwise, they would surely be satisfied with their present large earnings. You can point to the masters of the industry and nearly everyone of them is for expansion.

At this time the purchase of certain stocks, accessory company's stocks and motor company securities, that have had a reaction from the first spurt might well be considered. In our opinion the failure of the consolidation of the Willys, Chalmers and Hudson Companies will mean in the end greater benefit to the securities market in general than it would had the merger gone through. The demand for increased production; for greater income and higher efficiency in operation, and for the economies and savings thus effected will necessarily lead to mergers of companies making parts and accessories.

Those who are fearful of there being a let-up in business due to the cessation of the European war can again take heart from the fact that the new loans which have been arranged by the different countries means that more goods are to be purchased here from additional credits thus established by that loan.

Our Mid-west has not been affected by the general craze for any and all sorts and kinds of securities commonly referred to as "cats" and "dogs." We are more conservative out here and will take our profits slower, satisfied with assured income as against large prospective profits. However, we have not been without our so-called "war babies." There have been large profits made in Ohio Cities Gas common stock, due to the development of the West Virginia and Ohio oil fields. This stock has had a reaction of practically thirty points from its "high," and the earnings are growing each day with new wells producing and others ready to be brought in.

Another security, Cities Service Company, is showing over 20 per cent on the common stock. The large gain in earnings has been partly due to the development of a large oil field in Kansas and Oklahoma.

Both these stocks have had an advance of practically \$200.00 per share in less than two years.

The development of the process for the extraction of gasoline from natural gas is going to be quite a factor in the earnings of these properties as well as properties like the Columbia Gas and Electric Company.

Business continues to hold up well, although there has been some let-up in the urgent demand for material due to war business.

The United States Steel corporation's statement of unfilled orders is good; copper exports for April were over \$13,000,000 as against \$11,756,716 for the same month in 1915, which further proves that Europe is still buying, notwithstanding reports to the contrary.

The report on the winter wheat crop is not as good as expected and shows considerable loss, but when one considers that a large surplus of wheat is carried over from the year previous, we are inclined to look upon this as a favorable factor than otherwise. It means higher prices for the farmer. Our other crops look to be normal or up to the ten-year average.

The average girl never turns up her nose at a man who knows enough to turn down the gas.

Be sure you are right—but don't be too sure everybody else is wrong.

## DON'T BE MISLED

Maysville Citizens Should Read and Heed This Advice

Kidney trouble is dangerous and often fatal. Don't experiment with something new and untried.

Use a tested kidney remedy. Begin with Doan's Kidney Pills. Used in kidney troubles 50 years. Recommended here and everywhere.

A Maysville citizen's statement forms convincing proof. It's local testimony—it can be investigated.

Henry Callenstein, blacksmith, Poplar street, Maysville, says: "Doan's Kidney Pills are the best of kidney medicines. I have used different kinds and no other has ever equalled this one. When my kidneys were out of order and I had pain in my back, I heard of Doan's Kidney Pills and used them. They stopped the pains and my kidneys became strong. The cure has been permanent."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Callenstein. Foster-Milburn Co., Props., Buffalo, N. Y.

## VINEYARD INTERESTS IN RUSSIA SAVED — PEASANTS GIVEN SAME RIGHTS AS OTHER CLASSES

Petrograd, July 2.—The prohibition bill passed by the Duma which, on first analysis, was generally interpreted as embracing all kinds of alcoholic drinks, now has been found to contain an unpublished clause which makes an exception of wines not containing more than 12 per cent of alcohol.

The bill, as originally published, would have meant ruin for the immense vineyard interests of South Russia, the Crimea and the Caucasus. Sales of the exception wines will be permitted in wine-producing districts and in towns in other regions except where local option declares otherwise. The Duma today adopted a bill according to peasants the same civil rights as are given to other classes of the population.

## STOCKHOLM NEWSPAPER DE-CLARES GERMANY IS PREPARING FOR OFFENSIVE IN BALTO

Copenhagen, July 2.—The Svenska Dagbladet, of Stockholm, declares that Germany is preparing for a great offensive in the Baltic. Many German torpedo boats and destroyers have arrived at Libau. The command of the fleet, it is stated, will be transferred from Kiel to Libau.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years doctors pronounced it to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

### Belle of Maysville

The most wonderful whisky that ever drove the skeleton from a feast or painted landscapes in the brain of man. It is the mingled souls of wheat and corn. In it you will find the sunshine and the shadow that chased each other over the billowy fields; the breath of June; the carol of the lark; the dew of night; the wealth of summer; and Autumn's rich content—all golden with imprisoned light.

Drink it, and you will hear the voices of men and maidens singing the "Harvest Home" mingled with the laughter of children. Drink it, and you will feel within your blood the star-lit dawns, the dreary, tawny dusks of many perfect days. For many years this liquid joy has been confined within the happy staves of oak, longing to touch the lips of man.

Yours for, \$3.00, \$4.00 and \$6.00 per gallon. Sold only by

### SCHOOL GIRLS JOIN ARMY IN TRENCHES

London, July 4—High School girls are flocking in bands to the Russian trenches and joining the army as private soldiers. Some have been killed in battle and are buried in the flat steppes of Poland or on the steep slopes of the Carpathians.

Many have marched off further to the front, and through changes in regimental formation have been completely lost to their friends at home, who have no clues to their fate. Some are in German internment camps. One of these is Martha Malko, who fought beside her subaltern husband until he was killed and she was taken prisoner. She is now a prisoner at Schoulen.

Remarkable stories come from Russia showing to what great extent Russian women are flocking to the czar's standard. They show rare bravery and are calm in face of danger.

Women throughout Europe are doing men's work in factories and in the open, but only in Russia and her little ally, Serbia, are they actually fighting side by side with men in the battle field.

Botanists have found that alkalies produce blue shades in flowers and acids red hues.

It's a man's weakness that finally overpowers his strength.

### ASK YOUR NEIGHBORS

It used to be the custom—and may be now on remote farms—for the housewife to use her own knowledge, good sense and judgment in dealing with sickness in the family before sending for the doctor, unless in serious emergencies. After that, when there was no immediate danger she would talk with her neighbors, women who had had experience with sickness.

Any woman who suffers from ailments peculiar to her sex will do well to ask her neighbors. She should easily find one who has used Lydia E. Pinkham's Vegetable Compound. Just ask her about it!

### HUGHES' PICTURES TO BE SHOWN IN EVERY TOWN WHERE THERE IS A THEATER

New York, July 4—Long before Charles Evans Hughes begins the swings around the circle in his speech making campaign his face, figure, characteristic movements and gestures will be familiar to the multitude in every city and hamlet where there is a motion picture theater.

Hughes was "filmed" yesterday at his summer home at Bridgehampton and on the golf links.

The pictures will show his face and his home life and his style of play with the golf clubs.

### LONG TRIP PLANNED BY HUGHES OPENING GUNS MAY BE FIRED LATE IN AUGUST

Bridgehampton, N. Y., July 2—Charles E. Hughes probably will open his active presidential campaign the second week in August, with a 7,000-mile trip to the Pacific Coast and return.

The nominee is considering an itinerary that will provide for a dozen set speeches to be made at Chicago, St. Louis, Kansas City, St. Paul or Minneapolis, Seattle, Portland, Ore., San Francisco possibly Los Angeles and several other cities in the territory traversed.

The program under consideration provides for a break of two weeks, to be spent somewhere in the Rocky Mountains. This would afford Mr. Hughes an opportunity to enjoy his favorite pastime of mountain climbing.

May Last Six Weeks

Although the trip would last from five to six weeks. It would be made by regular trains and would bring the nominee back to the East, ready for what he expects to be "a whirlwind campaign" the latter part of September.

While the plan has not been matured it is said Mr. Hughes' present intention to go to the coast by the northern route and probably return by the southern. The nominee will discuss the proposed trip next Wednesday in New York with Chairman William R. Wilcox, of the National Committee, who is working on campaign plans.

Not more than a dozen speeches will be made unless present plans are altered, and none will be from the rear platform of his train.

The trip will be a leisurely one, and it is the nominee's present intention to confer with state and other party leaders in the various cities.

To Discuss Chief Issues

Whatever Hughes intends to say on the trip he expects to plan in advance. All the chief issues of the day will be discussed. A second trip probably will be made to Denver and Salt Lake City, which are not included in the tentative itinerary of the first.

Because of the difficulty of assembling the Notification Committee July 15, Mr. Hughes is considering having the notification the latter part of this month.

Hughes spent today quietly. With his wife and daughter, Helen, he went

to communion services at the Methodist Episcopal Church here. This afternoon he went for a motor ride to Sag Harbor, where he looked in at the firemen's carnival last night.

The more checks a spendthrift has the faster he travels.

### "New Post Toasties"

### From House to House the Good News Spreads

Many housewives have found a happy solution of the breakfast problem in New Post Toasties.

These new corn flakes are distinctive in that they bear a self-developed flavor all their own—the delicate, fascinating flavor of choice, white Indian corn. Unlike other flakes, they do not depend on cream and sugar to make them palatable.

Try a handful without cream and sugar—note the fine flavor and new form; also the tiny "bubbles" on each flake. These bubbles are a distinguishing characteristic and are produced by the quick, intense heat of the new process of making, which also brings out the wonderful flavor.

Although the New Post Toasties are a great improvement in flavor and form, they cost no more than ordinary flakes. Have a package delivered for tomorrow's breakfast.

### SOME TEAM

That We Have Now—Won the Last Five Games They Have Played—Trimmed Huntington Yesterday by the Score of 5 to 3 and 23 to 4.

Maysville continued in her winning streak yesterday afternoon when they trimmed Huntington by the scores of 5 to 3 and 23 to 4. The team is playing great ball now and everyone should support it so the team can start the second half. With the ball they have been playing in the past four days they could easily romp all over the other teams in the second half.

The first game was full of thrills and surprises. Huntington started the ball rolling by scoring their part of the runs in the first stanza. Schmeir doubled and went to third on a passed ball by Kohlbecker. Ollum walked and stole second. Fisher belted one and Schmeir scored. Fisher out trying to steal and Ollum scored. Distill singled. Raftery lamed out a two bagger and the last tally for Huntington passed over the pan.

After the first Shepherd pitched good ball and received excellent support. Several times he got in a hole and was pulled out by good pitching and some fine fielding.

Maysville scored her first two in the fifth frame. Wickham walked one. Kaiser strode to the bat. One mighty crash toward left field and he went all the way around scoring Wickham.

Again in the sixth we annexed two. Tinin fled out to left field. Shepherd banged one on the nose for a double and crossed a moment later when Coyle, our short stop, contributed a home run to fatten his batting average.

Not content with this the heroes scored again in the eighth. Coyle added a double to his day's work. Wickham sacrificed and got to second on a wide throw by Gaffin. Coyle scoring.

### Second Game

For the second game we refer you, gentle reader, to the box score. Twenty-three runs, all off nineteen hits. Mighty hitter Williams got one home run and Br'er Tinin walked out two of them. Everybody covered themselves with enough glory for a week but here's hoping that they do not stop with five straight. Coyle and Wickham pulled a lovely double steal. Wickham also stole three more and made three hits and three runs out of three times up. He also played third base like a demon. Kaiser did not make a hit but scored three times. After all, sufficient to say it sufficeth us.

### NOTES

Huntington is the attraction again today. Benny Meyers, who was with Maysville several years ago, will twirl for the visitors, while McGraynor will be on the mound for the Cubs.

When Al Kaiser came to bat in the fifth Colonel Watt Baldwin told him that if he knocked a home run he would give him a nice frying chicken. Well, Al knocked the homer, all right, and Colonel Baldwin says the chicken will be forthcoming today.

Five home runs were made by the locals in the two contests which is a very unusual sight on the local grounds. All were knocked down the left field line causing Fielder Stewart to do quite a bit of sprinting. Twenty-five extra bases were hit for in the second contest by the Cubs.

Kohlbecker was the hitting kid in the second contest getting four hits. Two doubles and two singles, out of his five trips to the plate. Wickham got three singles out of three trips to the pan and stole four bases.

### MAYSVILLE WON MONDAY'S GAME—CHARLESTON TO DROP OUT IN SECOND HALF

Charleston, W. Va., July 3.—Charleston dropped the third straight game to Maysville here today when French held them to three scratch hits. Calbert has been sold to the Rocky Mount team in exchange for Outfielder Russell and a cash consideration. Charleston will probably not start the second half of the season. Score:

### YOUNG PEOPLE DROWNED

Frankfort, Ky., July 4.—Carroll Dale and Eugene Buchignani, of Lexington, and Misses Anne Embury and Frances Champ, of Paris, were drowned at 11:30 o'clock tonight in the Kentucky River near Big Eddy, about five miles above Frankfort, when their launch capsized as they were attempting to board a barge on which a barge party was being given.

The party with a number of others had come from Lexington to join the merry-makers and go up the river from Frankfort on the Fourth of July barge party on the Helen M, but missed the barge. They secured a launch and left the city about 9 o'clock to catch the barge and it was while attempting to board it that the accident occurred.

When they approached the barge near Big Eddy they went to the front end of the barge and attempted to seize it. The launch capsized, throwing the young people in the water.

Bradley Bailey, of Lexington; Robert Hollingworth, of Frankfort; Cardwell Chinn, of Frankfort; Sammy Reeves of Frankfort, and Anne Molloy of Lexington, were rescued.

Buchignani was the nephew of Mrs. John Murray of East Second street. He was the son of Mrs. Eugene Buchignani of Lexington and a very accomplished musician. He visited here many times and was well known. The young ladies who were drowned were also well known among the younger set here.

### H. C. MILLS, OWNER OF THE GEM THEATER, DECLARED A BANKRUPT

In the District Court of the United States for the Eastern District of Kentucky in Covington on Monday Mr. H. C. Mills, owner and manager of the Gem Theater, this city, was adjudicated a bankrupt. The first meeting of his creditors will be held in the office of Attorney Frank P. O'Donnell, this city, on Saturday July 15.

According to the schedule filed the liabilities of the concern are \$5,883.60 while the liabilities are \$6,514, the largest claimants being Messrs. Sherman and Joseph Simons, to whom is owed \$2,100.

The theater will be run by Mr. Mills in an economical way until the court appoints a receiver to wind up its affairs.

### COUNTY COURT

In County Court Monday the following was made record of: Ordered that the settlements filed at last term of court, which were laid over to this term for exception be and is hereby confirmed and ordered to be recorded, no exceptions having been taken thereto.

Several settlements were produced in court and ordered held over to next term for exception.

Mr. Arthur Garner, 23, and Miss Hester Hornback, 19, both of Bath county, were married yesterday at the parsonage of the First Presbyterian Church, Rev. John Barbour performing the ceremony.

**Casey-Jones**  
Harold C. Jones and Betsey V. Casey both of Logan, W. Va., were quietly married Tuesday evening at the home of Mr. and Mrs. L. Orr, 630 East Second street in the presence of a few relatives. Rev. A. F. Stahl being the officiating minister. This marriage was to have taken place in Logan, W. Va., where the invitation had already been printed. But owing to the recent death of the groom's mother the marriage was consummated here in the quiet way. The bride is a Kentucky girl who before making her home in Logan, lived at Cynthiana. The groom is a Maysville boy having many friends here. Mr. and Mrs. Jones will return today to West Virginia where they will make their future home.

### CHILD LOST

The two-year old son of Mr. and Mrs. Thomas Taylor of Germantown caused quite a scare to his parents Monday afternoon when he was believed to be lost. Mr. and Mrs. Taylor were attending the sale at the Henson Boarding House on Market street and the little fellow wandered off. He crawled in the neighboring house and closed the door. As there was no one at home at the time he was not found for over an hour. He caused quite a scare for some time.
